

**SACRED HEART CHURCH, FLITWICK  
PARISH PILGRIMAGE TO ROME  
7 – 11<sup>th</sup> May 2007**

We have an early flight from Heathrow to Rome and transfer by coach to Basilica of St. Paul's Outside the Walls for a short visit before arriving at our hotel, the Ritz Regent.

In the morning we have a guided visit of the Sistine Chapel & Vatican Gardens followed by Mass in the Sacro Cuore Immacolato di Santa Maria which is the local Church opposite the hotel.

That evening, some booked the Opera Arias Concert at the Church of St. Paul's Within the Walls, unfortunately trains and buses went on strike and we had to take 'private' taxi's back to the hotel.

The next day we had a guided visit of the Castel Gondolfo in the morning, the Pope's Summer Residence.

The following day we had a guided visit of the Catacombs of the San Callisto, followed by a visit to the Scala Sancta, visiting the Basilica of St. John Lateran followed by a visit of the Basilica of St. Mary Major, where we had Mass.

We had morning Mass at the Sacro Cuore Immacolato di Santa Maria before departing for the airport and our flight home.
