Family Support for the Pre-Communion Group

Family support is essential to accompany and encourage your child in their preparation for the sacraments. We are asking for your commitment as we begin this journey together, to:

- Ensure your child attends the programmed sessions regularly and promptly
- Encourage your child to make a contribution to the life of the parish
- Ensure that the any booklets are read and kept safe
- Encourage children by attending Mass with your child and family
- Parent/guardian to attend adult sessions as visible support to your child
- Support your child at home with conversation about the group, answering their questions, and ensuring they complete any 'homework'
- Advise us in advance if children cannot attend sessions

We understand that we have a key role in supporting in the development of their faith and in the participation of the sacramental preparation offered by Sacred Heart Church

Consent to display photographs

During the Pre-Communion Group we would like to display their contributions to the programme on our dedicated notice board.

Sometimes the children may use photographs of themselves, we can only display these in the Church with your written consent, so if your child wants to do that they must agree it with you, and we must ask you to sign the consent form below.

We also ask if you are willing to give consent for us to use group photographs for the parish website.
